3/21/20

To prevent or slow the spread of Coronavirus Disease 2019 (COVID-19) the City of Shishmaref has established the following guidelines for our residents.

UPDATED GUIDELINES, as of March 21, 2020:

Residents have until March 24, 2020 to return to Shishmaref.

All residents will be mandated to self-isolate for 2 weeks upon return to the community. It is recommended for residents to take your temperature with a thermometer two times a day and monitor for fever.

On March 25, 2020 individuals will be prohibited from entering Shishmaref for 30 days, which includes through air travel and inter village snowmachine travel. There are two exceptions listed below:

- a) Travel is permitted for serious medical conditions or emergency medivacs.**
- b) If an emergency occurs in the community and additional outside assistance is necessary; travel into the community will be permitted.**

If an individual leaves the community they may not return to Shishmaref until the 30 day travel restriction ends on April 23rd, 2020 or upon further notice.

No large gatherings will be permitted in the community until further notice.

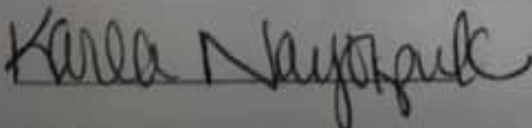

Residents are encouraged to limit visitation to other homes and no loitering in public places.

Residents should avoid going to the clinic if they are not sick.

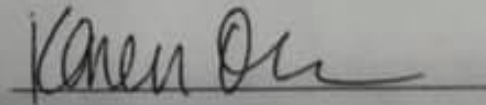

Residents that have symptoms of cough and fever of 100.4 or higher must call the nurse triage line 1-844-586 8773 or 443-6411 to make an appointment to be seen.

If you have questions or need additional information please contact Mayor Karla Nayokpuk at 649-2235 or 649-3781.

We are asking that all residents comply with these guidelines to protect the health and safety of our community. We will continue to provide updates as necessary.

Mayor
