WHAT IS QUARANTINE?

A quarantine is meant to decrease the number of interactions newly arrived travelers have with community members who have been in Nome and not traveled. *While essential personnel may travel between work and their place of residence, please do not visit the grocery store, bank, post office, bars and restaurants and other areas community members congregate in tight spaces until your quarantine period has ended.* Please have friends/family/co-workers/business deliver necessary supplies while quarantining from community members.

Measures to Take to Decrease the Spread of COVID-19:

- **Wear a face mask** when in public spaces.
- **Wash your hands often** with soap and water for at least 20 seconds, especially after coughing, blowing your nose, or sneezing.
- If soap and water are not available use a **hand sanitizer with at least 60% alcohol**.
- **Don't touch your eyes, nose or mouth** with unwashed hands.
- **Avoid close contact with people in the community**. Stay at least 6 feet away from people that are not members of your household.
- **Clean and disinfect frequently touched surfaces**, such as doorknobs, handles, faucets, toilets, phones, light switches and countertops, at least daily.
- **Monitor for symptoms** such as fever, cough, or shortness of breath. Alert a healthcare provider via phone if infection is suspected.

Thank you for traveling to our community. The city of Nome's goal is to keep the community safe from the spread of COVID-19 while allowing travel for essential services, critical personal needs & infrastructure work, subsistence, and visits until the covid-19 threat subsides.
